## DURA PRODUCTS

Technology with Lasting Value

Dura Products is an Indiana based manufacturer of state-of-the-art metering, pumping and dispensing systems. All products are manufactured right here in America's heartland and are sold under the company's flagship Dura brand. Founded by owners with decades of knowledge in farming and the chemical sales industry, Dura Products prides itself on innovative, versatile and durable designs with the end customer always in mind.

## DURA PRODUCTS

Technology with Lasting Value

6660 E 266th Street, Suite 300 | Arcadia, IN 46030  
855-502-3872 | [www.DuraProducts.com](http://www.DuraProducts.com)

Visit [www.DuraProducts.com](http://www.DuraProducts.com) for full disclosure of terms and conditions.

**ORDERING:** Call (855) 502-3872, fax (317) 984-7868 or email [CustomerService@DuraProducts.com](mailto:CustomerService@DuraProducts.com). All orders received by 1:00 p.m. Eastern Standard will be shipped that day unless the item is on back-order. If the item is on back-order, you will receive a call to discuss whether you want an alternate product or would prefer to wait on the back-ordered item.

**SHIPPING:** A full pallet (consisting of 25 systems) is delivered via a freight carrier. Incomplete pallets may be delivered via freight carrier, UPS Ground or FedEx Ground depending on which is the most economical for you. Shipping is FOB Arcadia, IN.

**WARRANTY:** All Dura Products equipment is covered by a two year warranty from the date of manufacture. For warranty consideration, call (855) 502-3872 (DURA) to request a Return Goods Authorization (RGA) form and follow the instructions on the form to ship the item back for a Warranty Evaluation. Once the evaluation is complete (in approximately three weeks), the item will either: 1. Be repaired or replaced at no cost to you and returned, or 2. You will be contacted to discuss an item that is not covered by the warranty. We offer a fully functional repair department that can repair your non-warranty claim item or we can arrange to properly dispose of the item. *Pumps sent in for warranty must have all hoses and nozzles detached from the pump. Drain and flush all pumps/units/meters of all liquids as best as you can. Each item MUST be placed in a tied garbage bag before being placed into shipping container. DO NOT send hoses and nozzles in with pumps for repair. Shipping to and from the warranty repair center is the responsibility of the customer.*

# NEW FOR 2017

The industry's **only** transfer system offering an **automated** dispensing option

## DURA-ABS™ AUTO-BATCH SYSTEM

- / Intuitive interface allows for the selection of manual or automatic operation with the flip of a switch
- / High-flow pump with up to 15GPM flow rate
- / Optimized for repeatable batching; returns to the last volume amount dispensed
- / 100% moisture sealed circuitry
- / Includes Dura-Meter™ with impact resistant Lexan™ faceplate
- / Available in 12 Volt or 110 Volt, and EPDM or Viton® options
- / Features a 2 year warranty

DPABS-4312 12 Volt | DPABS-4315 110 Volt

(Available in EPDM or Viton®)

Must specify EPDM (product # and E) or Viton® (product # and V) when ordering.

## HOW IT WORKS

- 1 Select the volume desired
- 2 Press START
- 3 The pump will begin to dispense fluid and automatically shuts off when complete.

## DEF DURA-METER™

- / 100% Moisture-sealed circuitry makes meter impervious to water intrusion
- / Meter calibrated for DEF
- / Same great menu driven backlit display
- / Plumbed for both in-line and 90 degree applications
- / Includes 2 Year Warranty

DP-3000D

### Specifications

Operating Temp	-10°F to 130°F
Flow Rate	2 to 22GPM
ISO22241-3 Compliant	Yes
Meter Accuracy	+ / - .5%
Maximum Pressure	40 PSI
Wetted Materials	Polypropylene; 304 Stainless Steel; Ryton; EPDM seals

## DEF DURA-PUMP™

- / High-Flow pump with up to 15GPM free flow rate and 10+GPM with 3/4" discharge hose and nozzle
- / Self-priming diaphragm pump with internal bypass
- / Motor thermally protected from overheating
- / 30 minute duty cycle
- / Suction ports has 2" Male NPT and 1" Female NPT
- / Pump is easily field serviceable
- / 10 minute auto-shut off available (110V only)
- / Includes 2 Year Warranty

DEF-2012E 12 Volt | DEF-2015E 110 Volt

### Specifications

The Dura Products Chemical Compatibility Chart **should be considered as a guide only** due to the many variables which may affect the compatibility of materials. This guide is based on the most recent information obtained from a variety of suppliers and chemical producers and is believed to be accurate. Actual decisions on materials used need to be tested and evaluated by the customer for each specific application. The responsibility of proper chemical compatibility of equipment and material used is the full responsibility of the customer. Dura Products does not warrant product damaged by non-compatibility.

For a more comprehensive listing of chemicals, please visit our website at [www.DuraProducts.com](http://www.DuraProducts.com)

For help with the proper selection of pump for your application needs, please call 855-502-3872
