

# DURA REMOTE APP QUICK START GUIDE for DURA AUTO-BATCH™ HIGH-FLOW METER with Bluetooth® Capability

Download Remote App using QR Code

Google Play™ Store

Apple® Store

Device Compatibility: Android™ phones & tablets, Apple® iPhones & iPads

Language compatibility: English

Meter compatibility: Any size Dura Auto-Batch™ High Flow Meter that includes a Bluetooth® QR label inside the lid.

## Connection and Usage Instructions:

- ➊ Power up meter(s), set “Auto-Batch” to “yes” in the program settings, and connect Auto-Batch harness to 12V power.
- ➋ Open Dura Remote app on compatible device.
- ➌ Press “Scan” button.
- ➍ Meter(s) should be found automatically, press “Ok” after your meter(s) is found.
- ➎ Press “Connect” to connect to the meter that is shown on the “Scan” line.
- ➏ The screen on the meter will have a pop up saying it is “connected to the app”.
- ➐ Meter(s) can be renamed by pressing the gray box next to the “Connect” button (Ex: Water, Atrazine, etc.).
- ➑ Change between meters by using the scan dropdown. Use custom meter names to quickly change between them.
- ➒ Navigate screens and menus just as you would any other High Flow Meter with Auto-Batch. The only difference is that if you see a gray box around a value on your device, you can press it to manually enter a value (Ex: manually enter an amount to Auto-Batch or give your meter a custom name).
