

Connect Our Electric Valves to Your Application

Make installation easier with wiring harness options designed for Dura's Electric Valves. Whether you're installing a single valve, integrating multiple valves into a spray system, or replacing an existing valve, harness options help provide a clean, reliable connection between the valve and your equipment.

Built for Easier Installation

Plug-and-Play Connections

Reduce installation time with harness options designed to connect directly to compatible Dura electric valves.

Multiple Configurations

Choose the harness configuration that fits your application, from individual valve connections to multi-valve systems.

Clean System Integration

Organized wiring helps simplify installation, troubleshooting, and future service.

Designed for Agricultural Equipment

Built for demanding applications including sprayer plumbing, chemical handling systems, liquid tenders, batching equipment, and OEM installations.

Replacement & Retrofit Options

Integrate Dura Electric Valves into new equipment or simplify replacement of existing valve and actuator systems.

One Valve. More Ways to Connect.

Dura's wiring harness options give equipment manufacturers, dealers, and operators greater flexibility when configuring electric valves for their specific application.

Pair the right Electric Valve + Wiring Harness for a complete solution that's:

FAST to install. **SIMPLE** to integrate. **BUILT** for demanding applications.

ORDERING INFORMATION

PRODUCT #	DESCRIPTION	DIMS (LXWXH)
DP398-0003	AGCO®/Fendt® Compatible Harness Adapter, DT4 Plug to DT6 Receptacle	5.2" X 3.2" X 5.3" Cable 18"
DP398-0004	John Deere® Compatible Harness Adapter, DT4 Plug to Ampseal 16 4 Pin Plug	5.2" X 3.2" X 5.3" Cable 18"
DP398-0005	Harness Adapter, DT4 Plug to Weatherpack 3 Pin Shroud	5.2" X 3.2" X 5.3" Cable 18"
DP398-0006	Harness Adapter, DT4 Plug to Metripack 4 Female Terminals	5.2" X 3.2" X 5.3" Cable 18"
DP398-0007	Hagie® Compatible Harness Adapter, DT4 Plug to DT4 Receptacle	5.7" X 3.2" X 7" Cable 18"
DP398-0010	Harness Adapter, Raven® ConXall for NH3	5.7" X 3.2" X 7" Cable 18"
